

Media Center Resources

The media center can be accessed by students before school at 7:45am, after school until 3:45, during lunch, or with a pass from a teacher*.

***Students in study hall must have a pass from a classroom teacher to present to their study hall teacher as study hall teachers cannot write passes to the media center.**

Book Check-out

Students can check out up to 6 books at a time and check-out time is for 2 weeks.

Be on the lookout for fun reading programs and challenges with prizes up for grabs!

We also have Ebooks and audiobooks for checkout through the SORA reading app! You can access those from your chromebook or personal device!

The digital library is **always open**.

OPEN 24 HOURS

Read on Sora
The student reading app.

OverDrive Education

Blue Sky Academy

#DiverseBooks

The advertisement features a smartphone displaying the Sora app interface with a grid of book covers. A rocket icon is positioned above the phone. To the right, a large neon-style circle contains the text 'OPEN 24 HOURS'. The background is dark blue with a white horizontal bar at the bottom.

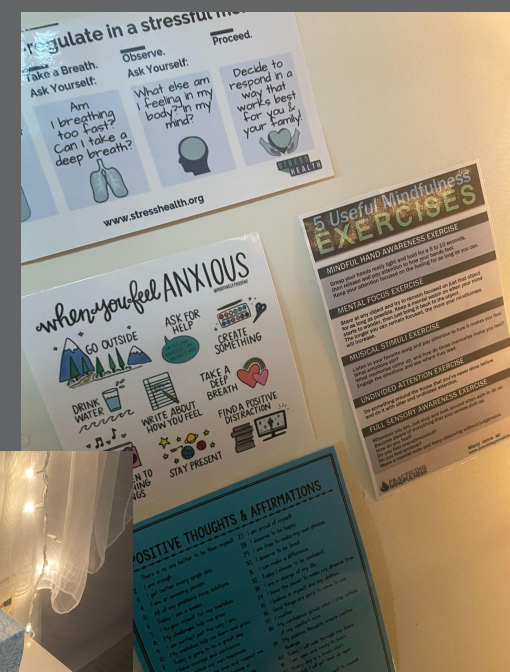

The ZEN DEN

(located under stairs in the Media Center)

The Zen Den is designed to give students a place to relax and reset when they feel stressed or anxious or just not themselves.

Before entering, please let a staff member or student helper know that you are here.

The Zen Den is for one student at a time and the goal is for the student to practice calming techniques for 10 minutes and return to class.

The Care Closet

The Care Closet is located in the Media Center and is available to all students. Items are donated by our Wayne Community. Donations are accepted at any time!

The Care Closet currently has:

- **Toothbrushes**
- **Toothpaste**
- **Laundry Detergent**
- **Deodorant**
- **Shampoo & Conditioner**
- **Soap**
- **Socks**
- **Hats**
- **Feminine Hygiene Products**
- **Paper and Pencils**

Read and Ride

Thanks to the Wayne Township Education Foundation, in an effort to support whole body wellness, there are two stationary bicycles in the back of the media center with desktops attached so that students and staff can read or work while they move their bodies. Allowing an opportunity for physical activity during the school day can increase productivity and boost mood.

We welcome students to utilize these bikes before school, during lunch, or if they are on a pass from a class and staff anytime they are able!

Digital Makerspace

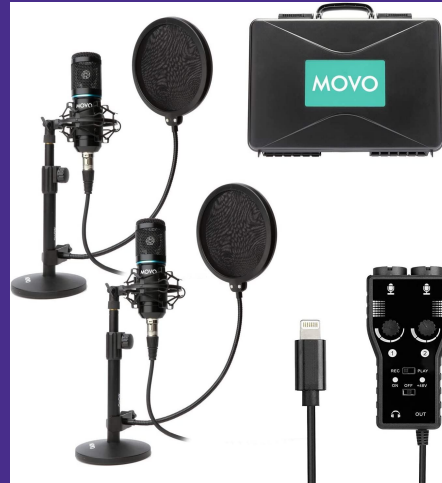

This space is in the works, but it will feature 4 digital makerspace stations with dual LCD monitors and high speed processing to create and edit digital creations such as videos, photos, podcasts, etc.

A/V Equipment

The library offers computers and printing access.

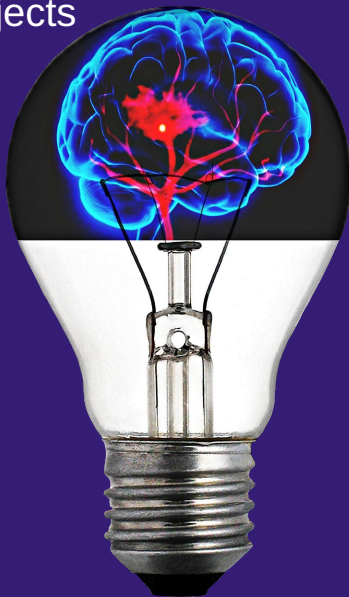

Additionally, we have audio visual equipment such as cameras, camcorders, microphones, etc. for our students and staff to check out.

Teacher Resources

Research and Information Literacy

- Curate research pathways for projects
- Instruction on database, website, and print resource location, selection, and citation.
- Collaborate to design and work meaningful research into your curriculum.
- Instruction on copyright, online safety, and how to determine fake news and spot scams

Instruction Design and Gamifying

- Plan and co teach lessons incorporating tech tools like Swank, Newsela, Canvas, and hardware like doc cams, cameras/camcorders, podcast equipment
- Gamify instruction using platforms like Gimkit or Breakout Boxes,
- Incorporate the Makerspace (including new digital Makerspace)
- Assist with lit circle or Socratic seminars
- Curate and acquire resources
- Organize author visits
